(hey!
bah-bah-bah [x4])

The way you walk, the way you strut your stuff
The way you talk, I can't get enough
The way you smile whenever you see me
You drive me crazy, baby, can't you see (bah-bah-bah
[x4])
(Can't you see)

The way you stand out in a crowded room
You never fail to make my heart go "boom"
The way you look tonight, it gets me so...! oh oh ooh

And I just wanna do a little ditty (bah-bah, bah-ditty-
ditty)
Staring, you're so pretty, I'm out of my head
So gimme gimme gimme some
I would like to dance like Fred Astaire
(Whoa whoa) You could be my Ginger if you care

(hey!
bah-bah-bah [x4])

The way you walk, the way you strut your stuff
The way you talk, I can't get enough
It's like a building falling down on me
You make me dizzy [x2]

Hey! won't you tell me what to do?
Because my heart and soul and body are set on you

And I just wanna do a little ditty (bah-bah, bah-ditty-
ditty)
Staring, you're so pretty, I'm out of my head
So gimme gimme gimme some
I would like to dance
And I would like to do a little ditty (bah-bah, bah-ditty-
ditty)
Staring, you're so pretty, I'm out of my head
So gimme gimme gimme some

I would like to dance like Fred Astaire
(Whoa whoa) You could be my Ginger if you care
I said, if you care
