Dance
Together with all our friends
To music that never ends
So, so perfectly tuned
A slow flow into the groove
We dance
Together with all our friends
Ignoring the ignorance
Oh, these lazy afternoons
A slow flow into the groove
We dance (buhbuhbuhbuh, buhbuhbuhbuh)

Seems that everyone around us are having a ball
And we're hanging out out in the shade
And the city that surrounds us
Is joining us all in a supersunnydayparade
And we will be the sunshine
And sooner will be better still
And all believers of the thrill
Of being where you don't know what to do or what to
say
Feel awkwardly rewarded in a special kind of way

So dance
Together with all our friends
To music that never ends
So, so perfectly tuned
A slow flow into the groove
We dance
Together with all our friends
Ignoring the ignorance
Oh, these lazy afternoons
A slow flow into the groove
We dance
(buhbuhbuhbuh, buhbuhbuhbuh)

Seems that everyone around us are having a ball
And we're hanging out out in the shade
And the city that surrounds us
Is joining us all in a supersunnydayparade
And we will be the sunshine

And sooner will be better still
And all believers of the thrill
Of being where you don't know what to do or what to
say
Feel awkwardly rewarded in a special kind of way

So dance
Together with all our friends
To music that never ends
Together with all our friends
Ignoring the ignorance
(buhbuhbuhbuh, buhbuhbuhbuh,
buhbuhbuhbuh...)
