When the Porkman takes a hold,  
You'll be scared your blood run cold  
Then you'll feel his putrid breath,  
Closing in to bore your flesh

Down, down, he's gonna take you down.

When the Porkman's in the street,  
He's quite well mannered when he speaks  
But if the Porkman challenges,  
His grunting snout ravages

When he's in the ring  
He'll do most anything  
He'll throw you all around,  
He's gonna take you down!

He learnt his trade in Mexico,  
From the ancient champ El Santo!  
He beat the greats down Texas way,  
He remains the champion to this day!
