Lofi by Pornorama I know it's gone Before you've had one. I'm aware of what you've done, I'm sure you'll catch another one For yeah, yeah yeah yeah

'I'm acting Lofi 'cause you can't see I'm there, no one is out there except for Me' she said.

I know you're gone For I've had another one Still I think it's wrong For you've had your other ones For yeah, yeah yeah yeah, yeah yeah

'I'm acting Lofi 'cause you can't see I'm there, no one is out here except for Me' she said.

To the left side. To the right side Are you in, are you out, Are you left behind? Should I fake it, Is it true: Are you out now? For yeah, yeah yeah yeah, yeah yeah yeah

'I'm acting Lofi 'cause you can't see I'm there, no one is out here except for Me' she said.
