Moisture by Pornorama

I've been around here for too long,
No one knows what's going on.
It's kind of steep here,
But the weather is fine
I've been around here for too long.

Ah yeah, ah yeah.

I've been around here for too long.
They keep smiling in the sun.
What the joke was,
I couldn't even guess.
I've been around here for too long.

Moisture's coming down,
Falling to the ground.
Moisture's coming down,
Falling to the ground.

I've been around here for so long,
Well I don't seem to know what's going on.
As far as I'm concerned they can ah, hop on.
I've been around here for too long

Moisture's coming down
Moisture's coming down

Moisture's coming down,
Falling to the ground.
Moisture's coming down,
Falling to the ground.
