Portable---What's Wrong

So I'm beginning to wonder why it escapes me  
Why you lie about the change for the worst that made  
your love turn to goodbye.  
So why must I know?  
If I'm repeatedly let go.  
It's the saddest of truths I don't know, and that's the  
lowest blow.

If I don't know what's right?  
How can I know what's wrong?  
If you try too hard to find a reason then I'll blame you.

You push the button, I scream.  
I draw the line, you cross it.  
Funny, while you keep on laughing, my top's about to  
blow.  
Why, when my face turns red?  
You don't remember a thing you said.  
You want to go back to good times and the way things  
were instead.

Everytime I play this game reminds me just how bad I  
am at it  
When I go to say your name reminds me just how bad I  
am at it.
