Bring it back, bring it all back Bring it back, bring it all back

Something is changed
Where did we go wrong
All that remains
Are the two of us
Slowly grow in a part for so long
Is it you, is it me
Cause things are not the way they used to be
We dont even talk any more
Is it me, is it you
Cause I just dont know what to do
Tell me what are we waiting for

Bring back the love, that we once had Bring back the love and dont look back, dont, no Bring back the love, that we once had Bring back the love and dont look back, dont, no

The love back, the love back The love back, the love back The love back, the love back

Now you know just the way I feel
We broke and go
Back to the life that we had theres still time to heal
Is it you, is it me
Cause things are not the way they used to be
We dont even talk any more
Is it me, is it you
Cause I just dont know what to do
Tell me what are we waiting for

Bring back the love, that we once had Bring back the love and dont look back, dont, no Bring back the love, that we once had Bring back the love and dont look back, dont, no Bring back the love, that we once had Bring back the love and dont look back, dont, no

Bring it back, baby love back Love back, love back Love back, love back Love back, love back

Bring back the love, that we once had
Bring back the love and dont look back, dont, no
Bring back the love, that we once had
Bring back the love and dont look back, dont, no
Bring back the love, that we once had
Bring back the love and dont look back, dont, no
Bring back the love, that we once had
Bring back the love and dont look back, dont, no

Bring it back, bring it all back Bring it back the love Bring it back, bring it all back Bring it back the love Bring it back, bring it all back Bring it back the love Bring it back, bring it all back Bring it back the love
