"Sick of You"

its makes me smile
to see you there weak and broken
covered in guilt
your arms severed off at the shoulders
and your feet
blistered and bloody

Im tired of (your smile)
Im tired of (your eyes)
Im tired of... (you and...)
everything (everything)

it gives me life
as I notice the stale and dead stare of your eyes
your ears burnt
from all the lies and false hopes
that dripped from
your parched tounge

Im tired of (your smile)
Im tired of (your eyes)
Im tired of... (you and...)
everything (everything)

...call me crazy
but all this discomfort your feeling...drapes me
in a velvet crimson blanket
of comfort;
your tears
are my pillow and refuge

Im tired of (your smile)
Im tired of (your eyes)
Im tired of ... (you and...)
everything. (everything)

your cries of mercy
are mere noises and false s.o.s.' to my worn ears;
ill choke on my own vomit
before having your kiss
and die i will

from all of your shit.
