Oh All Is Said No We'll Never Realize
Oh The Mountains Stand Oh It's
Beautiful
Oh It's Always Sang God He Never
Changed Oh It's Waiting There Oh
It's Waiting There
Oh It's Beautiful Time You Ever
Needed Oh I Can't Explain No I Can
It

Oh Mars Is Red And Lunar Full But
We All Remain We All Repent
Yes, It's True All Of These Things
Could Be Just A Great Big Dream
Yes, It Falls To Sleep And Dreams Of
The Worlds
Yes, I'm Blown Away I am
Swallowed By The Size
