Well I've Been Amused, Slightly Confused  
But Without A Doubt I Hurry To Get Out  
Well My Lesson's In, And I Committed A Sin  
But My Eyes Are Blinded, I'm Glad I Feel No Pain

We Cannot See, We Cannot Be, We Cannot Deal,  
We Cannot Feel

Oh Our Leason's Learned About The Super Goal  
And The Time Arrives, Fighting To Survive  
And I Kind Of Doubt While I'm Blackin' Out  
Well I'll Never Transpose, Only Lose My Composure

We Cannot See, We Cannot Be, We Cannot Deal,  
We Cannot Feel

I am A Lie, About To Compromise  
On A Frozen Bed With The Living Dead  
Well I Cannot Doubt What The Fuck It's About  
Well I'll Never Transpose, I'll Just Lose My Composure

We Cannot See, We Cannot Be, We Cannot Deal,  
We Cannot Feel,  
I Cannot See You, I Cannot See You,  
I Cannot See You, I Cannot See You...
