I Try To Hold The Things, To Mold What I Think I Own
Yes I Will Try Real Hard, Will Try Real Hard To Know
Still Only One To Say And One To Tell Me No
You Know That Honestly It Pays You Cause It's Right

I've Been A Lonely Ship On A Lonely Sea Below
Like Been To Hell And Back, To Hell And Back To Go
I've Left Friends They're Down The Ice, Forgotten Yes I
Know
I've Seen There Ain't No Help, There Ain't No Help At All

Oh I'm, A Sinner Too, Oh I'm A Sinner Too
Speak To Me, Speak To Me, Speak To Me Father
Oh I'm A Sinner Too

I Imagine Comin' From Some Other Time
Shocked And Scalded, Willin', Killin' My Turn
I'm In The Hole, I'm Bought And Sold Rather
Indifferently
And I Hope, Yes I Hope, But Still I Know

Oh I'm, A Sinner Too, Oh I'm A Sinner Too
Speak To Me, Speak To Me Speak To Me Father
Oh I'm A Sinner Too
Speak To Me, Speak To Me, Speak To Me, Speak To Me,
Speak To Me, Speak...

Oh All On My Own, Fall, Callin' Me Home
Fall, Callin' Me Home, Call, Callin' Me Home
Call, Callin' Me Home
