Maire is feeling so happy now  
So sure of what she has got  
Turns and looks at her lover  
When will we tie the knot?  
John's the man of her dreams  
From the age of seventeen  
But he's no longer certain  
But he's no longer sure

Chorus - It took two years  
It took two years for the making  
Then just one day  
Then just one day for the breaking  
Maire I don't love you

John is feeling so sick now  
Indecisions set in  
Maire once was his true love  
Now he's guilty as sin  
Doesn't want to go to the altar  
Doesn't want to have to get married  
Maire tells him she's pregnant  
What a mess he is in

Chorus

Is he going to marry out of conscience?  
Is he going to marry out of fear?  
Is he going to make all the wrong mistakes?  
Then watch his life disappear?

Chorus
