I'm an emotional sponge
Feelings pass right through me
Words like love, life and hope
Mean nothing to me.

Maire and John they got married
The baby's three and they're happy
My jealous eye's keep saying
I wish it could love

I bleed for it now
I bleed for it now
I bleed for it now
I bleed for it now

Another night on the town
Another girl to lie to
I hate myself for saying
I love you when I'm drunk

I bleed for it now
I bleed for it now
I bleed for it now
I bleed for it now

We're all the same
No one's to blame
We're all the same
No one's to blame

I bleed for it now
I bleed for it now
I bleed for it now
I bleed for it now

I bleed for it now
I bleed for it now
I bleed for it now
I bleed for it now

I bleed for it now

I bleed for it now
I bleed for it now
I bleed for it now
