Is there anybody out there  
And does anybody care  
Is there anybody listening to me

I'm still lost  
Coz I'm still lost  
Coz I'm still lost  
Coz I'm still lost

If I change my mind  
Will you make me pay for you  
If I take my time  
Will you make me wait for you

I wish that I could tell you  
Who I wanna be  
I wish that I could tell you  
What I wanna see

Is there anybody out there  
And does anybody care  
Is there anybody listening to me

I'm still lost  
Coz I'm still lost  
Coz I'm still lost

Coz I'm still lost

If I tell the world  
Exactly how I feel  
If I tell the world  
Exactly how I feel

I have nothing left to offer you  
I have nothing left to say  
I have no words of wisdom  
No bright shiny way  
I have offered my advice before  
Pretended that I care  
My days of lying over

My soul I'll never bare

Is there anybody out there  
And does anybody care  
Is there anybody listening to me

I'm still lost  
Coz I'm still lost  
Coz I'm still lost  
Coz I'm still lost
