Pyryshki, pupyryshki, pyryshki, pupyryshki, pyryshki  
Pupyryshki, pyryshki

U nas na rajone ne zvonyat, a zvonyat  
Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne

A raspustilisya listochki, a zatem cvetochki,  
A po rajonu hodyat - brodyat modnyye tipochki  
Korchat zatochki, mordochki, sidyat na kortochkah,  
Luzhbayut semki, i na kuhnyah kuryat v fortochku,  
A gde-to v nardy, domino igrayut - Ryba!  
A ya shagayu po rajonu - pafosnaya glyba.  
Takh dvorov na svete tyshchi a to million,  
No ya ne s chem ne pereputayu rodnoj rajon.

U nas na rajone ne zvonyat, a zvonyat  
Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne

U nas na rajone ne zvonyat, a zvonyat  
Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne

Ne ishchi menya "V kontakte",  
V "Odnoklassnikah" nas netu,  
My razbrosany po svetu,  
Na rajony shlem privyety.

Eh, ran'she po rajonu yezdil ya na samokate,  
Teper' na dzhipe, s mysl'yu o horoshem advokate.  
A pomnish' Katyu House-Party, u neyo na hate  
Zayavu yeyo batya nakatal na nas nekstati,  
Odety v letniye tapki na lavochkah babki,  
Peremyvayut kosti sosedu Koste,  
A Pugachyova s Rotaru vecherom pod gitaru  
Dvorovymi basami zavyvayut s nami.

U nas na rajone ne zvonyat, a zvonyat

Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne  
U nas na rajone ne zvonyat, a zvonyat  
Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne

Ne ishchi menya "V kontakte",  
V "Odnoklassnikah" nas netu,  
My razbrosany po svetu,  
Na rajony shlem privyety.

Pyryshki, pupyryshki, pyryshki, pupyryshki, pyryshki  
Pupyryshki, pyryshki Pyryshki, pupyryshki, pyryshki,  
pupyryshki, pyryshki  
Pupyryshki, pyryshki..

U nas na rajone ne zvonyat, a zvonyat  
Steny vse v balone, Vasya, sho ty gonish'  
U nas na rajone, rajone, rajone, na rajone, rajone, raj-  
o-o-o-o-ne
