No I (love lo-lo-lo-love)  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)  
Love love love love love  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)

Baby talk to me like I like it  
Kissing gettin' me charged up  
We gettin' boost in the parking lot, windows fold up  
How'd I get into you? Something so unconventional  
Bad boy, I think I like bein' bad  
I think you like me on top  
I'm likin' it from the back  
Pussy got the leanness, meanness, penis  
That's big, stroke of genius  
This is gangsta love and he said lay back love  
Why not?  
There's plenty room in the Maybach cuz  
I could just be wrong when it feels so right  
A stroke could change my attitude, we call it thug life  
I turn him on when I'm talkin' cuz I'm a motherf\*ckin'  
rider  
Havin' thinkin' I can't believe I'm his sider  
What he want? I'm the question and the answer  
Know I'm the kind of b\*tch perfect for what he stands  
for  
We get out so it's gone to our house crystal ball

No I (love lo-lo-lo-love)  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)  
Love love love love love  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)

And now you chokin' me like I like it

Bitin' me like a savage  
Pullin' on my rim, you callin' me a bad b\*tch  
This is cynical, who gives a f\*ck? I'm into you  
G's up, that's right baby eat up  
Sokin' up my dress, he's takin' out my stress  
Cause he got that long ass tongue b\*tches die for  
That slick gas motion  
You close your eyes and cry for, stay still love  
I can't, I'm 'bout to cum, he said I'm not done  
Head strong, that's aight cuz I'm tight  
Spank me like I stole something, we call it thug life  
And we don't do sh\*t twice cuz I'm a motherf\*ckin'  
tryer  
Right there, not acquired but you gotta  
What you need boy? Speech in this league eh  
I'ma take 4-5 for the team eh  
We get out so it's gone to our house crystal ball

No I (love lo-lo-lo-love)  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)  
Love love love love love  
I said he can't get nuff  
Enough of my love (Can't get nuff, enough of my love,  
love)
