Sensuous emotion
They're gettin' my attention
Staring up easy
To find the right position
Don't rush don't hurry now
Take your time girl, get it right
No need to accelerate
'Cause we can kill the feeling

Keep it slow and sexy
Instant aphrodisiac
For the love of me
Keep it slow and sexy

Girls, they like it when I hold them tight
Makin' love all through the night
Take the time and do it right
'Cause we can kill the feeling

Keep it slow and sexy
Instant aphrodisiac
For the love of me
Keep it slow and sexy

Too much movement might hurt the back
For the love of me, Shabba
(Take it off)
(Take it off)
(Take it off)

Such passion I know where that came from
Great romancing can never be overdone
Girls, they like it when I hold them tight
Making love all through the night

Take the time and do it right
'Cause we can kill the feeling

Keep it slow and sexy
Instant aphrodisiac
For the love of me
Keep it slow and sexy
