"40-H2O, I got a few ends, can we do some kind of  
business mate?"  
It depends on how much you wanna spend  
and how much profit I'm gon' make  
What's the crazy? Sellin half a kezy, right now they go  
for eight  
But you know we in the middle of a drought playboy,  
so tomorrow might be too late  
Prices keep on elevatin,  
escalatin and fluctuatin like Oprah Winfrey's weight  
Hesitatin, eliminatin competitor's competition out the  
gate  
Peruvian flake, cotton candy yams and Highway 5  
About an estimated four-and-a-half hour drive, LET ME  
GO  
Na na, can't do that, too dangerous, too young  
Back off, it's a commotion, might even swallow your  
tongue  
HOW?!? I'll tell ya later, hop your ass in this Kezy  
Where we headed? Venice Beach  
Gotta go pick up our greasy ex-po po martial arts  
expert  
Money on grip and desperate, nuttin to be reckoned  
with  
I tell you motherfuckers she's a fool  
Damn she sound like a fuckin nut  
Let's bust her potna and get the fuck

We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Look here)  
We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Whatcha do?)  
Doin a bunch of dirty deeds

It ain't gon' be no cakewalk, so whatever ya do don't  
talk  
Others been sufficed to triangular markers with  
numbers on em  
and bodies outlined in chalk

Bodies outlined in chalk, triangular markers with  
numbers on em  
and bodies outlined in chalk  
Call them organs, call my lawyer while you're at it  
Tell my gal get that dope up out the attic  
We ism, I caught the po-po tryin ta spoil it  
Too much narcotics to be flushin down the toilet  
These bitches talkin bout some shit I never knew about  
Some shit I never heard, some shit that I could sue  
about  
Knew I was in Pittsburgh promotin a charity concert wit  
my weep  
and luckily a motherfucker like me  
had enough common sense to keep the receipt  
35th and room service  
buffalo wings and Bleu cheese dressing, Caesar salad  
a glass of wine and lots of sexin, don't you doubt it  
25 percent bookworm, 150 percent street smart  
Makin business, accusations only reach a start

We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Watcha do?)  
We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Uhh)  
Doin a bunch of dirty deeds

As soon as I could walk I'd cooked up bout half a meal  
ticket  
at the age of 17 years old fuckin em up like that  
Ovulatin in the kettle loft cos I kept watchin the game  
I'd fall in the yard  
Operation Desperation, go get your fetti,  
daddy slingin niggas who off  
in front of the liquor store tryin to get somebody  
to buy me a bottle and a pack of Newports  
so that a motherfucker can up-chuck on the teacher  
when I get to school, restricted  
So move up out of the classroom, better yet after  
school to diss this  
Hella quick tip, wit extra manners, tie your ass up wit  
the phone cord  
Duct tape your mouth, talk to your ass in Spanish  
Describe me voice, like me no speak no English  
Take me razorblade and get to choppin at your fingers  
Straight killers new to my squadron  
My deuce don't even know that's on my squadron's  
back  
Godzilla ballers, a juvenile with damn man respect  
Craze up off the set, pistol whippin negroes wit my Tek

Nina millimetre heater, heavy metal wet  
Crushin heads and snappin necks, causin nosebleeds  
A 150 percent street nigga about dem dirty deeds

We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Whatcha do?)

We smoke trees and slang ki's, off the fuckin E's  
Livin life as a criminal doin a bunch of dirty deeds  
(Whatcha do?)

Doin a bunch of dirty deeds

\*repeat x3\*
