(spit that shit)  
Durrin a playa like Ma Dukes  
I think I recall when I got my first tooth  
I was a teeny little ol teether perv on flea little bitches  
Some like a little further on down the line  
started fuckin with moonshine, all kind of wines  
Stood in front of the liquor house so I can get mine,  
from old timers  
Buy me a drank man I know it's against the law my  
name's liquor sport  
What you need my little catarada a packet of kool-aid  
and some throw up  
What else? A thing of B's and a short naked Night Train  
Whatchu gonna give me? A crumpled up foodstamp  
that I won in a dice game  
Preciate it playa, I'm up out of this bitch bout to go hook  
up  
with my side hill now them shits relatives simple ones  
kinfolks  
Good folks, y'know, y'know  
Twisted, slogan, me and my fools be out there back  
pervin  
To' back on your face and started to roll over

**\*chorus\***

Let's perv, throw up, and drank again  
Let's get high, loaded, and smoke again  
(repeat 2X)

Just wakin up from my hang-over  
Still high, like I swallowed an ounce of  
hell yeah I don't wanna ever be sober  
Like bein toishin, wake up in the same position, open up  
the safe  
Peep the stash, lookin mighty healthy, plenty of cash  
Grabbed my partner from up out the charger  
And then made a dash called up the folks today is the  
day  
for my nigga's birthday twelve o'clock come through  
gon get beat  
By who? By them hog mark niggaz in the cleats

We's deep, no remorse no feelings retardos no sorrow  
Drink it til your motherfuckin insides turn holes to cross  
and wallow  
Back to back, struck and strikin, that's your job (that's  
your job nigga)  
To make you lift this tick, fuckit nigga blow a bottle

\*chorus\*

Room spinnin, dead  
Got the garbage can next to the bed  
Now I was tweakin off that old crazy ass commercial on  
BET Jackie Stallone  
What made it so bad is I don't even know how I got  
home  
Niggaz ain't feel me y'know fuck this sargeant general  
when they peoples be lookin like that indo  
Dicked a, barren, purple, fish sto'  
Smob with me I'm tryin to told ya like you get to perkin  
Ride to me I'll teach you some of this game that I be  
twarkin  
Pull this motherfucker over main, you probably gotta go  
piss again  
Don't even sweat it though just be on the lookout for so-  
and-so
