Too many years I've been
Insulted by human beings
When will they wake up to see
This ain't right treatment for me
They have to pay the price
Of all those offences and lies
Violence ain't right way
But oppressors must feel my hate

Force of my hate

Rage inside me won't rest
Before enemy has taken last breath
Just a little bit violence
'Cause there's no other ways to avenge
I'll show them force of my hate
To punishment it's better way
Killing as said is sickness
But I must be merciless

With force of my hate
I'll throw oppressors to wall
Force of my hate
Paint to the core
Soon the assholes will be dead by the
Force of my hate
You will see
