Eeeeeieeee oh! Now!

Wake up!

I'm on the inside  
You can't punish the sane  
oh how weak you stand  
I'm at your strong side  
Wake up Dad, I'm a man  
Can you stomach this?  
I've licked the inside  
Pierce the chest of a God!

Who is the hard charger?  
Liar  
And my fist in place  
{of} your mouth

You've been a bad dog  
Locked in, moralize the sounds that surround my  
nerves  
Twitching to please you  
Try that shit again motherfucker I'll knock your teeth in

It's hard charger  
Liar  
My fist in place  
{of} your mouth  
Come play my games  
Wake up...

And I'm never going back there once again  
And I loved her so much I was afraid  
And to sit here in the silence, listen for cries, oh I,  
I've been denied

I moan, I miss you  
Like a beggar to Christ, what I wish of you  
Grown on the outside  
It'll come out of our salary, in similar effect

It's hard charger

Liar  
My fist in place  
{of} your mouth  
It's hard charger  
Liar  
Come play my games  
Wake up...

Never fucked her never  
I give it back to you  
Never fucked her never  
Yes back to  
Never fucked her never  
Give it back  
Never fucked her never  
Give it back

And I'm never going back there once again  
And I loved her so much I was afraid  
And to sit here in the silence, listen for cries  
No I've been denied  
No I'm never going higher...  
No I'm never going higher...  
No I'm never going higher...  
No I'm never going higher...
