I met a man

He was a good man

Sailing and shoring

Dancing the beta can-can

Making me foreign

Oh yeah

I want to live in Los Angeles

Not the one in Los Angeles

No, not the one in South California

They got one in South Patagonia

I want to love in Los Angeles

Not the one in Los Angeles

They got a bunch down in Moleville

They got a bunch more still

I want tolive in Los Angeles

Not the one in Los Angeles

They got one in twenty-five to five

Works just like a beehive

I want to live in Los Angeles

Not the one in Los Angeles

Counting helicopters on Saturday night

The symphony of the fair light
I hear them saying Los Angeles
In all the black and white movies
And if you think they star-spangled us
How come we say Los Angeleez?
I'll wait in Los Angeles
I'll wait in the pouring sun
No way
For not anyone
No way
I met a man
He was a good man
Sailing and shoring
He got a betatron, man
Talking that foreign
Oh yeah
I'll wait in Los Angeles
I'll wait in the pouring sun
No way
For not anyone
No way
