Had a bit part

An endless reel

It always played in slow-mo

But now it's fast

A spinning wheel

I know the dynamo

My heart

Is cast

Speedy Marie

Ahead of the now

She's better built that's how

She's built for speed

Speedy Marie

Speedy Marie

Oh yes, indeed

I said to me

And so I sing this romaunt

It's not enough

My liberty

There is a thing I want

I need

I love  
Juxtaposed in each moment's sight  
Everything that I ever saw  
And my one delight  
Nothing can strike me in such awe  
Mouth intricate shapes the voice that speaks  
Always it will soothe  
Rarer none are the precious cheeks  
Is the size of each sculpted tooth  
Each lip and each eye  
Wise is the tongue, wet of perfect thought  
And softest neck where always do I  
Lay my clumsy thoughts  
She is that most lovely art  
Happy are my mind and my soul and my heart
