Pretty girl on the net, strange affairs in the web  
So I called to you and I paid before I came into you  
But the things you f' ve done and the stuff you made  
Weren f' t not the ways to feel me good  
So now pick up your tricks,  
but before you go you have...to.....  
GIVE MY MONEY, you f' re (just) one of my kind  
GIVE MY MONEY who do ya think you are? (2X)  
Your boobies have filled my eyes, but my dick now cries  
Sexy sexy baby on fire in reality a liar  
Enuff is enuff , can f' t take it anymore  
Now your wallet is so full, and still my balls are too  
GIVE MY MONEY..... (4x)  
solo  
GIVE MY MONEY..... (2x)  
Money...money.....
