I  
Don't wanna fall asleep because I'm drunk  
You know I'm standing down on my knees  
Today I met you at COOP  
You were stealing right in front of me

Chorus:

I'm not Stevie Wonder!  
You wanna steal like Rock 'n roll  
But you are wanted  
and you won't steal like Rock 'n Roll

II  
Walking in the garden stalking babes  
But to conquer them you can't use your face

Chorus II:

I'm not Stevie Wonder  
You wanna fuck like Rock 'n Roll  
But you are wanted  
and you won't fuck like Rock 'n Roll

Solo I

Middle:

You honey, you wanna try I've got to show  
you some make up  
HEY MAN! Get away, you're just a piece of crap!  
You're a big slut when you have just signed in or  
I'll bite your ass  
HEY MAN! Disappear, out of my sight!

Solo II

Chorus  
Repeat chorus
