"Strange Days"

Everytime the same ol' song

I wake up in the bed, don't see the sun

8 AM and still the night lights

Wanna sleep and wait until day comes

I see the raindrops from the window

Seems this town has never seen the dawn

Wanna bring the summer here

And never let it fade away

chorus:

Strange days

Like a soul embraced on a scarlet ray

Strange days

On and on and more

(but) Darkness will be broken

Strange days

Is it daylight gone

In the morning songs

Strange days

I wish I had a pocket sun

Let his light enter in my room

I wish I had my summer shirts

Let the tropics fill this atmosphere

solo

I see the raindrops from my window

Seems this land has never seen the dawn

Wanna bring the summer here

And never let it fade away

chorus
