Turnaround, my love blind lady
Turnaround, don't walk so fast
Now and then, we've all gone crazy
And traded love for a thrill that couldn't last

Turnaround and feel the good times
See the man who brought you comfort through your
pain
Close your eyes, and see that first night
Taste the kiss that swept your heart away

Though he vows to you the Earth and stars
Broken promises won't get you far
Turnaround, turn, turnaround

We have all been fools to circumstance
While our love still has a fighting chance
Turnaround, turn, turnaround

Turnaround, it's far from over
Turnaround and just believe
You can cry here on my shoulder
A heart can heal when you wear it on your sleeve

He's rehearsed those lies 'til they sound true
To a thousand others just like you
Turnaround, turn, turnaround

We can learn from this and come back strong
Got to rescue your love before it's gone
Turnaround, turn, turnaround

See the one who loves you
I place no one above you
It's not too late to turn, turnaround

(Solo)

Turnaround, I'm still your baby
(Turnaround, turnaround)
Turnaround, I was such a fool

(Baby, just turnaround)
I can see between a teardrop
(You gotta just turnaround)
Turnaround, he's just not you
(This thrill can't last)

Turnaround, he never loved me
(You gotta turnaround)
Turnaround, it's you I need
(You gotta believe)
Now I know I was born to love you
(We've still got a fighting chance)
Turnaround, I still believe

(Solo)
