Once I had me a woman
She gave me all her love
She gave me her blessing
I gave her my curse
I drove her crazy
I drove her crazy
I sent her insane
Like a runaway train

In my lonely bed at night
I wish that I could die
Hell's comin' down
Hell's comin' down

We made love in the morning
We got drunk at night
When she was sleeping
I stabbed her with a knife
I did deceive her
I was midnight creeper
I robbed her blind
I drove her outta her mind

In my lonely bed at night
I wish that I could die
Hell's comin' down
Hell's comin' down

Feels like the whole world's
Comin' down on me
Nowhere to run
Nowhere to hide
Pain in my heart
Murder on my mind
I wish I was with her
I wish I could kiss her

There's no sun in the sky
No love in my life
Since I lost my baby
All I do is cry

She won't come back
No she won't come back
I broke her heart
I tore it all apart
In my lonely bed at night
I wish that I could die
Hell's comin' down
Hell's comin' down

In my lonely bed at night
I wish that I could die
Hell's comin' down
Hell's comin' down

In my lonely bed at night
I wish that I could die
Hell's comin' down
Hell's comin' down

Here it comes now
