Baby, i love you, baby i need you
Baby, i love you, baby i need you
Baby, i'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you*
Baby, i'm thankful
Thank you for your kindness
Baby, i'm thankful
Thankful, thankful
Thank you for your kindness
You always stood by me
You never denied me
I'm sad, so sad and blue
I'm not with you
*repeat
Shine on me, sister
Let you lovelight shine
Shine a light on me, sister
I've got a ragged heart
I'm feelin' dark
Let it shine, let it shine
Let your lovelight shine
*repeat
Please hold me, i'm lonely
Please hold me, i'm lonely...
