I know I hurt you  
I know I'm cruel  
I know you're hung on me  
So I cut your heart  
And spit it at you

You cry because I abuse you  
One day I know I'll lose  
You'll claw out my eyes  
And leave me screaming

I've got you split wide open over me  
I've got you split wide open over me  
I've got you split wide open over me  
Oh yeah

If I could tell you  
Just how I feel  
You wouldn't walk away  
With a stick in my throat ...  
I choke, I scream  
I cut and I can't say  
And that I really care about you  
I just scream and shout  
And curse you

All messed up I've slashed  
I've cut I've scared you  
Split wide open over me  
Oh yeah

You got nowhere to hide  
I bury you alive  
I hurt you  
I hurt you  
I love you down inside

I hurt you (5x)

I've got you split wide open over me  
I've got you split wide open over me

I've got you split wide open over me
