Suicide Sally and Johnny Guitar
She overdosed and crashed in her car
Amphetamine jab, shot a hole in his head
Ran out of veins, ran out of friends

Alright, Alright
Oh Baby baby you're doing alright.
Alright, Alright
Oh Baby baby you're doing alright.

Gearhead candy is a natural queen
Bed motorcycle, you know what I mean
She got her wings, givin' head to a priest
The Fucker choked on his rosary beads

Alright, Alright
Oh Baby baby you're doing alright.
Alright, Alright
Oh Baby baby you're doing alright.

Stone cold Sally is a stubbled whore
Her face is plastic, so is her soul
She hates her body she is a he
Striptease and Pre-teased, feelin diseased

Alright, Alright
Oh Baby baby you're doing alright.
Alright, Alright
Oh Baby baby you're doing alright.

Hey rocknroll doctor rocknroll nurse
Gimme a shot gimme some pills
I don't need a knife I don't need a gun
I gotta crown made of human skull

Alright, Alright
Oh Baby baby you're doing alright.
Alright, Alright
Oh Baby baby you're doing alright.
Alright, Alright
Oh Baby baby you're doing alright.
