What the hell is going on
I'm thinking till the break of dawn
I'm doing everything I know
But I don't know, I don't know.

I will be hanging on
Don't know how could I've ever been so wrong
I'm leaving everything behind
I will be hanging on
As long as I can keep my spirit strong
Uhuh, Uhuh.

My brain is melting in the sand
If I could only shake my hand
I'm leaving everything behind
To get a grip, to get a life.

I will be hanging on
Don't know how could I've ever been so wrong
I'm leaving everything behind
I will be hanging on
As long as I can keep my spirit strong
Uhuh, Uhuh.

I have to stop
Or I can go insane
Don't want to feel the same, feel the same
I have to stop
Or I can go insane
Don't want to feel the same, feel the same

My mind is gone, I'm going crazy
I wish that I was different maybe
I feel too old, I'm feeling cold
What's going on?, What's going on?

I will be hanging on
Don't know how could I've ever been so wrong
I'm leaving everything behind
I will be hanging on
As long as I can keep my spirit strong

Uhuh, Uhuh.

I have to stop
Don't want to go insane
Don't want to feel the same, feel the same
I have to stop
Don't want to feel, feel the same
Don't want to feel the same, feel the same
Go away
