Falling down again  
I'm spinning round again  
I'm going down again  
I'm upside down again

I'm eight miles low  
You just don't know  
It feels so strange  
I can't explain

The world goes round  
I hit the ground  
Falling down  
All the way down

I'm inside out again  
I'm all wiped out again  
I'm going down again  
I'm upside down again

I'm on the floor  
Can't find the door  
It feels so strange  
I can't explain

The world goes round  
I hit the ground  
Falling down  
All the way down

Falling down again  
I'm spinning round again  
I'm going down again  
I'm upside down again

I'm eight miles low  
You just don't know  
It feels so strange  
I can't explain

The world goes round

I hit the ground  
Falling down  
All the way down

I'm inside out again  
I'm all wiped out again  
I'm going down again  
I'm upside down again

I'm on the floor  
Can't find the door  
It feels so strange  
I can't explain

The world goes round
