(Ooh)  
(Ooh)  
(Ooh)

Waiting for the sunshine  
Waiting in the rain  
Waiting for the world to change  
But I still feel the same

Meet me on the corner  
Sweep me off my feet  
Show me where the flowers grow  
Far from these lonely streets

Far away from these lonely streets  
There is a better place to be

(Ooh)  
(Ooh)  
(Ooh)

Waiting for the sunshine  
Waiting in the rain  
Waiting for our lives to change  
But everything's the same

Far away from these lonely streets  
There is a better place to be  
Far away from these lonely streets  
There is a place for you and me

I'll see you tomorrow  
We can be together then  
Wipe away our sorrows  
Together 'til the end

(Ooh)  
(Ooh)  
(Ooh)

Far away from these lonely streets

There is a better place to be  
Far away from these lonely streets  
There is a place for you and me

Meet me on the corner  
Sweep me off my feet  
Show me where the flowers grow  
Far from these lonely streets
