Hands over my eyes  
Skid into disaster  
Life screeches on by  
Swerving into love

Tied down to the track  
Such a dangerous feeling  
Sky turning to black  
Thunderstorm of love

I can't let go  
I can't let go  
I can't let go

Feed me to the sharks  
Drop me in the ocean  
Hold a blade to my heart  
Sharpened with love

Noose tied to my throat  
Drag me to the hilltop  
Hanging on a rope  
Tightened with love

I can't let go  
I can't let go  
I can't let go

Tied down to the track  
Such a dangerous feeling  
Sky turning to black  
Thunderstorm of love

Noose tied to my throat  
Drag me to the hilltop  
Hanging on a rope  
Tightened with love

I can't let go  
I can't let go  
I can't let go

(Humming)
