Yeah yeah
So strange what music can do to you
All kinds of different vibes
If your heart broken
Now you have the
Just turn it on
And it changes the mood
Yeah yeah
Give me the music
And change the mood
Can change the music
Makes you feel good
Just give it
All you have inside
And feel you
Reach your goal
No matter where you comin' from
Just do it
Everybody now take it
Yeah yeah
Give me the music
And change the mood
Can change the music
Makes you feel good

Music is music
The rhythm flow again
The party's about to begin
Let your soul get the B.E.A.T.
Bass and beat in my mind, then check
Check out the party
Just let the music take control

Music is pumping in your brain
Fells on my mind are going insane
..... let me put another tape
Yeah that one is more my thang
The dance, the
.....
Dam, that music changes my mood !

Yeah yeah
Music gonna get you
Yeah yeah
Can't you feel the music
Yeah yeah
Makes you fell good
