Come over, get me brush up
Going to rub a pussy here tonight
Heavy rain falling
I can feel my [horn burst] getting stiff in hand

Gonna be a wet, wet night, in Big Five
Screaming, screaming night, in Big Five
It will be pussy versus cocky tonight
Gonna be pussy versus cocky tonight

Right now I'm feeling sexy
Want a big, fat pussy this December night
Today I smoke an ounce of weed
Tonight I'm gonna plant a seed
In her wump, alright

Spunky, spunky night in Big Five
Spunky, spunky night in Big Five
Oh, there'll be squeaking all over the bed
There'll be water all over her head

How many times I've wanted
To lay my [horn burst] inside her
And to think that now she has to beg me to do it for her
I'm gonna jook her with vengeance tonight, oh yeah

How many times I've begged her
To lay my [horn burst] inside her
And now to think she has to beg me to do it for her
I'm gonna jook her with vengeance tonight

Right now I'm feeling irie
Want a big, fat pussy this December night
Today I smoke an ounce of weed
Tonight I'm gonna plant a seed
In her wump, alright

Gonna be a spunky night in Big Five
Spunky, spunky night in Big Five
It's gonna be pussy versus cocky tonight
Gonna be pussy versus cocky tonight...
