Finger never say "Look here"  
Only "Look deh"  
Finger never say "Look here"  
Only "Look deh"

So when you're pointing your finger at me  
Remember four of them pointing at you, so

Finger never say "Look here"  
Only "Look deh"

Clean up your house before you start to criticize mine  
Clean up your house before you start to talk about mine  
Because when you're pointing your finger at me  
Remember four of them pointing at you, so

Finger never say "Look here"  
Only "Look deh"  
Finger never say "Look here"  
Only "Look deh"

Prince Buster wanted in England  
Wanted in France  
Wanted in Spain  
They know the name of the game  
Getting letters from Holland  
Cables from Australia  
Phoning from New York  
That's loud I'm going to bark

Finger never say "Look here"  
Only "Look deh"  
Finger never say "Look here"  
Only "Look deh"

So when you're pointing your finger at me  
Remember four of them pointing at you, so

Finger never say "Look here"  
Only "Look deh"  
Finger never say "Look here"

Only "Look deh"
