A woman want to win with her cow
And want the farmer to tell her how
Farmer say you've got a knife
But nah bother bring a light
I will heal you in my farmyard

Come along, oh
Healing in the farmyard
Alleluia
Healing in the farmyard
Now if you want to learn something
Come and listen, me a sing 'bout the
Healing in the farmyard

A woman want to hold down her man
And want to do it as fast as she can

But nah bother bring a light
I will heal you in the farmyard
