"Wine And Grind"

Whether you wine or grind
Whether you wine or grind
She shake it up right on time
She shake it up right on time
She like it long
She like it strong
Ram her hard and you can't go wrong
Whether you wine or grind
The first thing she ask, "Did you have your brush? If
you
Have your brush
Then you can avoid the rush."

Whether you wine or grind
She like a rough, rough grinder
She like a cool, cool winer
Whether come wine or grind
Whether you wine or grind
Whether you wine or grind
She want a rough, rough rider
She want a cool, cool stroker
Whether come wine or grind
She like when you wine or grind
