It's the falling in loving (hah, Lil' Man)  
That's making me feel (yeah yeah)  
It's the feeling of love  
That shows me his love is for real (Shades, ya'll didn't know)  
It's the falling in loving (uh yeah)  
That's making me feel (come on)  
It's the feeling of love (A+ up on this)  
That shows me his love is for real

Slow (remix uh)

Slow down, slow down baby  
Slow down, slow down baby  
Slow down, slow down baby  
Slow down, slow down baby

[Aquil]

It's Aquil with Shades on a beat that Sprague Doogie made  
Keepin' us paid to blow like grenades  
You can't make us stray so be afraid  
A little somethin' to let ya know come slow

Verse One

We don't have to rush it baby let's slow it down  
We've got plenty of time to fool around  
If you really love me baby then you will wait  
There are plenty of girls that won't hesitate

I'm not tryin' to dis it's just how I feel  
Cause I want what we have to be so real  
Let's just take it slow and maybe this love would last  
Don't you know that one night stands are a thing of the past

Chorus

I believe that love should mean much more than sex  
Can't you see it don't mean nothin' if you don't want me

I believe that love should mean much more than sex  
Can't you see it don't mean nothin' if you don't want me

[Nutta Butta]

If ya wanna take it slow suga let me know  
If it ain't about the doe then we can freeze the flow  
See Butta ain't here just to disappear  
It ain't game, it's sincere when I'm in ya ear  
Now you remind me of a 300E  
Imagine us in the V for the world to see  
Stay close to me, be my lady like Jodeci  
Throw on my Shades so the haters won't notice me

Verse Two

Lately I've noticed that you're shying away  
Is it cause I haven't given you any play  
I'm not tryin' to tease you but I have to hold back  
I can't give you my all and get nothin' back

I'm not tryin' to dis ya, it's just how I feel  
I want what we have to be so real  
Let's just take it slow and maybe this love would last  
Don't you know that one night stands are a thing of the  
past

[Aquil]

So you say you want it slow like molasses  
After that you're tellin me to go faster  
Pass a pack, it's 2 left because I'm blastin'  
From falling in love  
No question, so top asking  
I play my cards good like Maverick  
Look for good thing, keeps me under your wing like  
Patrick  
Slow mode you still can't hack it  
Is it what you want what you need is passion

Bridge

I believe that love means everything  
Baby let me know if you like my flow's tempo or do you  
want it slow  
I believe that love means everything  
Baby let me know if you like my flow's tempo or do you  
want it slow

I believe that love should mean much more than sex  
Baby let me know if you like my flow's tempo or do you  
want it slow  
I believe that love should mean much more than sex

Baby let me know if you like my flow's tempo or do you  
want it slow

I believe that love should mean much more than sex

Baby let me know if you like my flow's tempo or do you  
want it slow

I believe that love should mean much more than sex

Baby let me know if you like my flow's tempo or do you  
want it slow
