Verse One

What can I do?
To make you feel secure
Remove all your doubts
So that you know for sure
That you're the apple of my eye boy
Fulfillment of my dreams
Time, will show the value
Just what you mean to me
More precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thing
If you didn't have my love beside you there to guide
you through
But ain't it good to know you do

Chorus

I know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time

Verse Two

I tell you I love you
But you don't believe it's true
More precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thing
If you didn't have my love beside you there to guide
you through
But ain't it good to know you do

Chorus

I know just how you feel

But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time

I know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time

Music intermission

Bridge

Or anything that I could give
It wouldn't mean a thing
If you didn't have my love beside yo there to guide you
through
But ain't it good to know you do

Chorus

I know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time

I know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time

I know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time
