"Wait"

It hurts me love
To know you're dying
Why I must go
When our hearts are flying
It grieves me love
To ascend before you
My heart is yours
Yet my star's arising

But wait...I'll be back for you
But wait...I'll be back for you

I long for you
To pull you close beside me
Though life does fade away
I still desire you my love
For you my whole life
Though I must go I can't forget you.

So wait...I'll be back for you
So wait...I'll be back for you

I'll come again
I will rush to your side
There is nothing at all that can stop me
I will wipe your tears
Reclaiming all the years
And I will join my heart with yours love

So...wait...I'll be back for you
So wait...I'll be back for you
So wait...I'll be back for you
Ooo
So wait...I'll be back for you
I'll be back for you
I'll be back for you
For you

But wait, my heart, my love
I'll be back for you
Wait
