Lyrics: Oh Girl, I Love you (4)
Your my Love, your my dream
Your my heart
Your are everything to me, Baby

When u see me
My heart beats for you And I fell in Love, Girl
When I'm in your side
My heart is shining
I just think about you, babes
Everyday everynight all the Time
Baby

My heart beats beats beats beats (4)

When I think of you
I have three words in mind
Is that I Love youuuuuuu
You make my Life wonderful, oh girl
I am nothing without youuuuuuu

Everynight in my dream,
I see u and my heart beats beats beats beats (2)

My heart beats beats beats beats (2)

When I'm without you
All the Time I think about youuuuuuu
About your smile, your eyes, your lips Baby
I think about our kiss in the rain
I have one thing in mind
I just want to see you And kiss you girl
And say you I Love you

Everyday
I Need you And my heart beats beats beats beats
My heart beats beats beats beats
I fell you And my heart beats beats beats beats
My heart beats beats beats beats
I see you And my heart beats beats beats beats
My heart beats beats beats beats (2)
