[Intro: Buckshot]

That's the way shit iz  
That's the way shit iz  
That's the way shit iz  
And that's the way shit iz

[Buckshot]

My man on the corner with a bottle of juice  
Every day hustlin', botherin' you  
Well, what would you do, if it came to you?  
And the world put the blame on you, like it's your fault?  
I was taught, no shorts, to take  
Get everything I want and go for break  
Go for broke, don't you know  
Life is like one big door, closing slow  
So, let's procede, gotta have probe bigger than the S.C.  
Or, M3, or Benz 3, or them three, or anything  
Of them things, so -- let's get deeper  
Cause life is dictated through a speaker  
And y'all need ta, peep the, bigger picture  
Behind that, reefer, every generation needs a  
New drug, to me, that shit been bugged  
Well, I guess that's how it be cuz  
The world won't change, and you can't change the  
world neither

[Chorus: Tek (Buckshot) {Steele}]

Every day all day, round the way  
Gettin' chased by the rich, you wish  
(That's the way shit iz)  
{Little homey just didn't make way  
Got blazed on the strip}  
(That's the way shit iz)  
Young g had money and the game  
Got played a bitch  
(That's the way shit iz)  
{All I know, is we gon' roll  
And we won't stop til we make it rich}  
(And that's the way shit iz)

[Buckshot]

Living in the fucked up city  
Walkin', trynna avoid beef, from often  
Hawkin', by the same little dudes with a lil' food  
Got a let fed, now they feel a little rude  
Fuck feuds, they don't fight, they fire  
Cause they won't let Buckshot retire  
I, then keep it going though  
When it get outta hand, don't tell so and so  
Fam, niggaz be frontin', like they man  
Wanna run to the cops, give 'em the drop on the shot  
Damn, comin' out my crib, I seen two cops  
Started wildin' out, thinkin' I'm 2Pac, bust 2 shots  
Now it's a warzone, and I'm on the run  
Plus I got a body on the gun, gotta call my son  
Son, this is shit is off the chain  
Nowadays, niggaz will do whatever for fame  
There's no gain, no shame, it's a double o thing  
Right now, the po' men love to go to pole main

[Chorus 2X]
