Hey brother  
It's hard to be close  
Hey brother  
It's hard to be close  
Taught to dodge  
And stay shut up

Hey brother  
It's hard to be touched  
Hey brother it's hard to be touched  
Taught to hide  
And dress alone

If we are birds of a feather  
Why can't we migrate?  
If we are bird of a feather  
Why can't we fly in formation  
Or just be friends on  
The way?

Hey brother  
Why can't we call?  
Hey brother  
I need love to grow  
Why can't we show  
Ourselves at all?

Cause if we are birds of a feather  
Why can't we migrate?  
If we are birds of a feather  
Why can't we fly in formation  
Or just be friends  
On the way?
