Words and music BY Amy Ray

I want the bloody boy  
Yeah I want you  
Hold it so tight  
Like it's the truth  
I see you licking your lips  
At the slope of her hips  
And I got disgusted with my own ownership  
My own ownership  
My own ownership

All the girls who make the cut  
Avoided me  
And the ones that aren't enough  
Just make me mean  
And the boys that take you to the high school prom  
Recruit you with flattery  
I hate myself for turning on  
I hate myself for turning on  
I hate myself for turning on

Hey finally  
Take it out of me

It's the hardest part  
It won't let me be  
You can have it back  
It just makes me ill  
You can have it back  
It just makes me kill  
Hey castrator  
Take this strong out of me  
Take this strong out of me  
Take this strong out of me

The revolution (unknown)  
Say it's cool (unknown)  
The newest way to cv stand (unknown)  
Is just to lay real low  
Your precious now we know it  
You are the only one

In this confusing moment  
Keep it quite undone  
And you are saying nothing  
And you are being no one  
In this artistic moment
