"Conspiracy"

I have a theory to explain
Why my bad luck gets worse each day - it? easy
Someone must be out to get me - it? a diabolic scheme
This conspiracy is giving me the creeps ?the big
conspiracy

It? just coincidence you say
When i go out it always rains - believe me
Someone? playing games with my brain ?it? a diabolic
scheme
This conspiracy is giving me the creeps ?the big
conspiracy
Now i? ready to believe the big conspiracy

Someone must be out to get me - it? a diabolic scheme
This conspiracy is giving me the creeps ?the big
conspiracy
Now i? ready to believe the big conspiracy
Are you ready to believe
