[Geno V]

I was crusin the varrio just left my canton  
It was me, my ruka and my friend Ramone  
I was lookin for a dealer to deal me some coke  
Stuff runnin dry, need to get high que pa I was broke  
So I took out my cuete to a vato at the store  
Dame your dinero now hit the floor  
Wit the money in my pocket, me fe I split the scene  
Back to the varrio to see the dope fiend  
I said Oy es camara can you help me out  
He said "sure ese, jus let me see your clout  
Cause I'm the dope fiend, I'm what its all about"  
So I took out my plata thats cash cut in slang  
Poquita cociania just enough to get a bang  
Insertin la bruja I was goin to town  
10 minutes later I was comin down  
No dope to be found man  
Come to realize I was a dope fiend's clown  
Stealin your dinero I was stealin people's cars  
Then I lost my freedom behind the jail bars  
Ya page todo mi teimpo yeah I served my time  
Back to the varrio it was dope fiend time

[Geno V]

My connection jus got busted al bote se lo varone  
A un vato nuevo en el cito que a jaro  
So I searched for this vato yeah this loco now in  
charged  
So I was cruisin down the varrio, down the boulavard  
I saw this loco standin yeah pa yado en la escina  
Le pregunte a loco se endia cocina y mi dijo  
"El dope fiend ya se fue, cause I jus took his place  
Cause my supplin ya se cava and ya don't have to pay"  
Say what I don't have to pay man yo how can this be  
So I say como se llama and he said "its called JC"  
He said "I got the high, that you've been lookin for  
His name is Jesus Christ, and you don't have to look no  
more"  
Man my corazon was poundin, my body really shook  
A dentro de tu bolsa, where he pulled a little book  
That aint no drogas man yo whats this all about

Its called John 3:16, check this vato out  
For God so loved the world, He gave His only ijo  
If you believe in Him, you will not perish but lo que dijo  
He'll give you love and peace y esto no es miendas  
Porque lo dijo Dios, its called eternal vida  
For me, "you can make it"  
Ese Ima junkie, "He'll erase it"  
Orale

[Geno V]

So I put down my cabeza as I started to resad  
Called on Jesus Christ, mi pecados perdona  
Bueno Jesus Christ, es que saves que  
Quiero cambia mi vida porque la onda se me fue  
I used to chase mujeres even though I was casado  
Robando liquor stores, and some one elses carro  
I was always hurtin people wit malas antenciones  
Every single word would come out to maldeciones  
Never went to church on Sundays, I was just a vato's  
loco  
Excuses not to go man, I was just a mentidoso  
Mi corazon temblando un marijuano soy  
Te amo a Jesus Christ en mi vida hoy de doy  
Orando like a baby I was high on nalagreas  
Cause his supplin no se cavas  
It keeps goin cada dia  
Ya mi vida ya cambio a Cristo a cono ser  
Mendiedoso es el dyablo y no tienne ya poder  
So all you vatos loco thinkin you're so really bad  
Get high on Jesus Christ, cause yo man He's the best I  
ever had  
So if you're from San Antonio, Miami, San Jose  
Chicago, Corpose Cristi, or down in East LA  
No le a te donde vengas all for Jesus that is my rhyme  
Porque Cristo viene pronto but you're runnin out of time
