I crashed the party when i splashed
Down in the surf
The new kid on earth
Dropped out of orbit and into high school
Every day the earth stood still
There was no thrill
Nothing was real
I could break free if i just broke all the rules

There is no life down here
In this poison atmosphere
No one comes near

Rebel teenager from mars
Rebel teenager from mars
One day iæŒl ride away up there - into the stars
Rebel teenager from mars

The homecoming queen, bored by her scene
New model homes, suburbanite clones
She loved to ride with me in our galaxy
She said the others hate me now
They donæŒ approve of me and you
Now that our storyæŒ out, theyæŒe hunting us down

They said she wouldnæŒ dare
They chased us everywhere
Everyone stared

Rebel teenager from mars
Rebel teenager from mars
One day iæŒl ride away up there - into the stars
Rebel teenager from mars

LetæŒ let them live in fear
Burn out this atmosphere
And jet out of here
LetæŒ get out of here

Rebel teenagers from mars
Rebel teenagers from mars

Forever weæŠƷI ride free up there
Out in the stars
Rebel teenagers from mars
